**ORDER GRANTING RECONSIDERATION AND
AMENDING FINAL CLAIM CONSTRUCTION**

Before the Court is Plaintiff VoIP-Pal.com, Inc.’s opposed motion for reconsideration of the Court’s Final Claim Construction Order. ECF No. 89. In its Motion, VoIP-Pal requests that the Court reconsider its final construction of the term “routing message” and construe the term to mean “a message that includes a callee user name field and a route field.” The Court heard oral argument on VoIP-Pal’s Motion on June 12, 2023, after which the Court orally granted VoIP-Pal’s motion for reconsideration. *See* ECF No. 97.

After careful consideration of the parties’ briefs, oral argument, and the applicable law, the Court **GRANTS** VoIP-Pal’s Motion (ECF No. 89) and amends its final construction for the term as shown below.

Claim Term	Court’s Final Construction
